Nothing Beats a Cookout

Bistro Vendôme

Where to go: A late evening dinner—the Europeans do it. Bistro Vendôme is open until 11 p.m. on Friday and Saturday nights.

The patio: One of the sweeter, more romantic places, this courtyard Vernon is both romantic and relaxed. String lights and flowers strung near the seats make you feel alive.

The drink: A bottle of the 2004 Château de Capitans. Juliana

The food: Three items (including a veggie plate) you've never had quite this good.
